Induction Announcement from the Membership Committee:

We are excited to have RI President Gary Huang induct our newest members on September 20th at the 2nd Annual District Conference. We have 3 candidates in process right now and are working on a few more. In addition we are going to celebrate the accomplishment of our first members to complete the tasks of the New Member Involvement Program. This program was just started mid last year and is designed to introduce Rotary and RCS to our new members so they can get the most out of their Rotary membership. Our congratulations to Tiffany Storey as she was the first new member to complete the tasks and will now be able to remove the Green Dot from her badge. We have several more that are very close and will be recognized on September 20th also.

Our last fellowship evening was dedicated to reports and general information. This time the mission of Rotary was read by David Smith. As often, the Rotary song was sung and as always the four – way test read, this time by Tiffany. The meeting was also graced by the presence of Aaron Randolph, the first president of the Shanghai Rotaract Club in 2005. There were a number of unfortunate news. Firstly the golf event had to be cancelled due to lack of participation. Secondly, as Gary Huang will arrive late in the evening, Frank had to cancel his dinner/BBQ invitation for all Rotarians on the 19th. Yet it is not only us who sees cancellations, even the RI convention next year in Sao Paolo will be postponed by one day. On the other hand Katia invited all Rotarians to an informal fellowship at her house. The invitation will be sent out through Pingg.com. Though there will not be as many Sushi and Pizza as there are being served in Sao Paolo in 1 hour.

Roger also could report on the board approval for the Ningxia water project, which will provide liquid water also in winter for the beneficiaries of the project. Though not this winter, as construction can only commence in spring.

Despite the Moonfest already being over there were enthusiastic buyers at the auctions for Frank's mooncakes, as the proceeds will sponsor Nanmo Interacters tickets for the RI District Conference.

All other committees reported smooth ongoing proceedings and nothing out of the ordinary, though Nikola reminded all members of the Youth Committee to be more attendant.

The meeting ended with a toast to the formal establishment of Rotary Club of Chengdu.
